

MEDIA RELEASE

ELLETTSVILLE POLICE RECEIVE DONATION FROM FIRST ASSEMBLY OF GOD

ELLETTSVILLE, INDIANA (August 22, 2017): The Ellettsville First Assembly of God, under the leadership of Senior Pastor Ronald Hinson, recently reached out to the Ellettsville Police Department to ask what need the department had. Town Marshal Jimmie Durnil let the church know that the police department was in need of a new laptop to replace an older model that had reached its replacement date. The Ellettsville First Assembly of God has, for several years, presented the Ellettsville Police Department with a "Love Offering" that comes from donations from its church members to show support and appreciation for the officers' hard work and community dedication. This year the Ellettsville Police Department will be able to purchase a new laptop, at a cost of \$560.00, thanks to the wonderful donation from the First Assembly of God.

Marshal Jimmie Durnil commented on the donation by saying, "We truly feel blessed to be the recipient of such a generous gift from one of our local churches. I think it speaks volumes about the level of respect and appreciation that we as a police department get from this community".
